

It is with great sadness that we share that we have lost one of our beloved Past Presidents, Lynn Ramer, to cancer. Lynn dedicated her life to dental hygiene and her community. For many years, she served at the local and state level, leading the Indiana Dental Hygienists' Association as President in 1995-96. In her role as the District V Trustee, she mentored many of us along the way. After being our ADHA President 2009-2010, she continued on as a trustworthy ambassador and role model for the organization. In recent years, her dedication to the Institute for Oral Health came through in her annual giving, participation in fundraising events and yearly attendance at ADHA Annual Conference. Please join us in celebrating Lynn's life, accomplishments, and passion for our profession.
